Your application

Description of why applicant is applying for the Snow Fellowship and how expected skills and experience are met

The intent of a Snow Fellowship is to accelerate the research program, career and leadership development, of outstanding researchers and their teams. Your response should indicate how award of the Fellowship will allow you to proceed at a scale and with a vision otherwise not likely. Please provide a short description of why you are applying for the Snow Fellowship and how you meet the expected skills and experience.

Certification

Applicant certification

I certify that:

- (i) all information in the application is true, accurate and complete;
- (ii) I meet the eligibility criteria for the Snow Fellowship as specified in the Funding Rules;
- (iii) I have complied with and agree to the Snow Fellowship Funding Rules;
- (iv) there are no allegations of research misconduct currently being investigated against me nor have any allegations been previously upheld;
- (v) there are no allegations of bullying and harassment currently being investigated against me nor have any allegations been previously upheld;
- (vi) no conflicts of interest exist in connection with this application and the research proposal. If a conflict of interest arises, I will immediately report it to my Host Organisation and Snow Medical;
- (vii) I will promptly notify Snow Medical if there are any changes in my circumstances that affect my eligibility or participation in the research project that is subject to this application form; and
- (viii) I have read, understood, and agree to Snow Medical's Privacy Policy and consent to my personal information being disclosed to overseas entities, organisations or individuals in connection with the assessment of my grant application.

❗ Applicant has **NOT** confirmed the above certifications.
